

Town of Leesburg ESI Review Program
Minimum Submission Review
Fee Processing Application
 7 Loudoun Street SE, Suite 3, Leesburg, VA 20185
 www.esinova.org

The Town of Leesburg has contracted with the Engineers & Surveyors Institute to provide a Minimum Submission Review (MSR) for Final Site Plans, Final Subdivision Plats, Preliminary Subdivision Plats, Construction Plans and Rough Grading Plans. The purpose of the Town of Leesburg ESI Review Program is to improve the quality of the plans being submitted, shorten the review times for applicants and Town staff, reduce the amount of review required and achieve a more predictable process of plan approval. The information requested below is used only to track the plan and ensure that the Applicant's fee is properly applied to this project. Once the plan and fee are received, the ESI review process will commence.

Instructions: Please provide requested information below. Once completed, please print the filled application, sign and date the Agreement portion, then submit the application and fee payment with your plan submission to the ESI Leesburg office. This application will auto-calculate the fee for the project (see "Total Due" field below). If paying by check, please make the check payable to "ESI Peer Review" and submit it with the application. If paying by ACH, please send payment to the ESI account listed under "ACH Information."
